

# Staff Tribute Program

Is there a special teacher, principal or other staff member who has had an impact on your child's school experience?

All proceeds are directed to UDEF's Grant Program, which supports our educators' creative ideas beyond the district's budgeted curriculum. So, your gift will be "returned" to the students in the form of grants awarded to teachers for new, innovative educational programs. In recognition of your gift, each honoree receives a UDEF certificate and acknowledgment from Superintendent Dr. Wheeler.

*A Staff Tribute is a great way to say "thank you."*
